Noodleverse!

by K¹²

Attention K-3rd Graders

Noodleverse is a game found in the LA Blue thru Purple courses (K-3). Here students can play games on specific areas of the curriculum. These areas include phonics, handwriting, spelling, critical skills practice, writing skills, literature & Comprehension and vocabulary. As students find activities they like they can click on a heart that will make a list of their favorites so they can quickly get to them again. Additionally, they are shown the first time in what to do to navigate the Noodleverse game.
