Q & A

Question: What do we do with all of the K12 materials at the end of the school year?

Answer: You will box up all materials that students did not write in, which will include books and manipulatives, and then return them to K12. K12 will email parents return shipping labels so that there will be no cost to families to return the materials.

Question: If we are staying with SJVS next year, then when can we expect our new materials?

Answer: Students that are re-registering with SJVS should received materials one to two weeks prior to the start of school.
