5th and 6th graders- be sure you have registered for your fall courses if you are planning to transition to FLVS. Please select a start date of 8-1-15, so you can begin welcome calls with your teachers!

END OF YEAR REMINDERS

- As you finish using your K12 materials for this school year, please pack all manipulatives and books that were not written in neatly into a box. K12 will send you return shipping labels via your regular email address on file. You will take the materials to a local UPS store and ship them back to K12 at no cost to you.
- If you are returning to SJVS next year new materials and books will be sent to you before school starts.
- Report Cards will be sent to you in a kmail on ore before June 4th.
- The On-Line School and Kmail will continue to be open until June 19th. Any work completed after June 4th will <u>not</u> count towards your report card, however, if you would like the opportunity to continue learning or review challenging units, please feel free to do so.
- Study Island will be available to you all summer! This is a great way to keep your mind sharp and master grade level standards. Your login will remain the same through the summer.

4 days of school left! Make sure you are planning and achieving your goals by June 4th!
