

Dear St. Johns County Parents or Guardians,

In accordance with **F.S.1003.498, F.S. 1001.42, 1002.37 and 1002.45**, SJCS Virtual Instruction Program offers three full-time and part-time virtual instruction options to all St. Johns County students in grades K through 12 for the 2015-2016 school year.

To achieve academic success, online students must be self-disciplined, self-motivated, responsible, and ready to accept the challenge of rigorous online course work. Parents must play an active role in monitoring their child's progress and make sure their child maintains a regimented work schedule. While virtual instruction does allow some daily flexibility, students must make progress in each course at an established weekly pace.

**SJVS Full-time** is a program of choice, meaning that students must apply and be accepted for admission. Full-time students must complete a minimum of 6 courses per semester and comply with all state course standards and assessment requirements. **Open Enrollment for SJVS – Full-time begins on April 12<sup>th</sup> and will close on July 11<sup>th</sup>.** If you would like to learn more about our virtual program, please contact Mr. Michael Eisen at [Michael.Eisen@stjohns.k12.fl.us](mailto:Michael.Eisen@stjohns.k12.fl.us) or visit us on **April 14<sup>th</sup> at 6:30 pm** for an orientation & registration where you can learn more about our full-time program or if you are already a full-time SJVS student in good standing, register for next year's courses. The meeting will be held on the FCTC campus at 2980 Collins Ave, Bldg. C, St. Augustine.

**SJVS-Part-time** enrollment options, both during and outside the regular school day are also available. **As an additional reminder, all standard policies in the student progression plan, including school based course request/registration and drop/add policies, apply to virtual courses.** If you are considering having your student take a virtual course while enrolled at their current school, please contact your school counselor for advisement and approval.

To learn more about your virtual options and apply to the program, please visit <http://www-sjvs.stjohns.k12.fl.us/>
