The course catalog allows for St. Johns County School District students to sort through subject, course title, credits, honors availability, and platform. By clicking on the course title you will be directed to a brief description of the course. Courses that offer honors will also link to the course description via clicking honors. The search feature is also available to allow for quick navigation using key words.

Search:

Course Title	Subject	Credits	Platform	Register
HOPE	PE-Phys Ed	1.0	APEX	REGISTER NOW

Showing 1 to 1 of 1 entries (filtered from 63 total entries)

Two red arrows point to the search bar containing 'HOPE' and the 'REGISTER NOW' button.

Students will complete a brief survey that for the time being will go directly to the SJVS administration. They will then contact each school to confirm course approval through approval from your school counselor.
