

**1. St. Johns Virtual School is a franchise of FLVS.**

- a. Fact: SJVS offers the same exact curriculum as FLVS. The difference is SJVS offers teachers that are employed with St. Johns County School District. FLVS hires teachers from all over the state.

**2. I will be placed immediately in a course with SJVS.**

- a. Fact: Once your school counselor or home education status is approved, you will be placed immediately based on your preferred start date. With FLVS depending on the time of year, the wait could be two weeks or so.

**3. I can only enroll in SJVS courses at the beginning of the year?**

- a. Myth: SJVS currently allows enrollments with a preferred start date in all courses from August until March 1 each year.

**4. I cannot take courses during the summer with SJVS?**

- a. Myth: When registering for a course with a preferred start date between August and March 1, if you select (ALL or both segments) and are in Classroom Assigned status, then you can carry into the summer.
- i. *Ex. If you register on February 1 for (All) segments of a yearlong course, you can finish semester 1 before the year ends and then semester 2 can carry into the summer and complete by the end of July.*

**5. Home Education cannot take SJVS courses?**

- a. Myth: If you are a St. Johns County resident and also in Home Education, then you can enroll throughout the same period (August until March 1) for all courses that SJVS offers. You can take your courses with teachers that are part of the number school district in the state of Florida.
