Students, parents/guardians, teachers, counselors, administrators, and office staffs all have important roles to play in our schools. With so many people working together, problems may occur from time to time. Rules have been made to address these problems. Like laws, rules apply to everyone, and they work only when everyone knows what they are.

This booklet lists the District rules for students in St. Johns County. The rules apply to all activities occurring on school grounds, on other sites being used for school activities and for any vehicles authorized for the transporting of students. Please read them. Since parents/guardians can be held responsible for the actions of their children, it is important that they are aware of the rules and consequences if the rules are broken. Parents, students, school faculty and staff need to know the rules.

Parents need to become involved in the education of their children and have the responsibility to provide the school with the current emergency contact person and/or telephone numbers. They also have the responsibility to notify the school of anything (such as medical information) that may affect their child's ability to learn, to attend school regularly, or to take part in school activities. As a parent, you also authorize designated St. Johns County School District personnel and St. Johns County Health Department School Health personnel to provide emergency care for your child and to exchange medical information as necessary to support the continuity of care of your child. Parents should also take special notice of the Attendance section of this Booklet as well as the Suspension and Expulsion provisions, which are in accordance with School Board Rule.

Signed forms must be part of every student's record. Your signature means that you have read this booklet and understand the rules. (It does not mean that you agree or disagree with them.)

All forms must be signed by parent/guardian and student and returned to school.
