Welcome RamFam,

I wanted to take this opportunity to welcome you all to St. John's Virtual School (SJVS). We are excited to have you join us in the virtual setting. We are humbled and so excited at the opportunity to be part of educational journey you have chosen to embark on. Thank you for trusting us with your child's education. We promise to do our very best and keep your child at the forefront of all we do.

With the decision to enroll and be accepted into full-time SJVS, you have placed your children with all highly effective instructors that will be there to guide your student(s) through their virtual education. We have an excellent front office staff, support staff, and counselor that will be here to answer questions and ease confusion, there will be times where it just does not make sense.

To our returning families, we will have changes this year due to much of the input we heard from families. These changes will be addressed in the orientation video, which will be sent via **SchoolMessenger** on Sunday, August 7, 2022.
