

Week 14 is here!! I hope everyone had an opportunity to stay safe and spend some quality time with your loved ones. We did lose a day, so please plan to complete an extra assignment in the next week or two to bring your pace current (if behind).

Pacing

So many students are doing as need and this is so important to the learning process in a virtual environment. Please note that if needing additional assistance, please see that on November 18 (this Friday), we will be hosting a help session, on campus from 11:30am – 1:30pm. Please email Ms. Thornton if you will attend. sara.thornton@stjohns.k12.fl.us

Toys-for-Tots Drive

We are participating again this year with the hopes of bringing joy and celebration to children across our county. Please note that we have collection bins in our front office if you wish to contribute (must be unwrapped and new toys) to serving our community.

Spelling Bee Winners

Congratulations!!! Next up, these two will compete with peers in the district. We are so proud of both of you and will be cheering you on!!

Aryanshi Garg – Grade 5

Samuel Cassiani – Grade 8

Digital Honor Cards

If your child received the following message from the district regarding digital Honors Cards:

The St. Johns County School District Honor Card program has gone digital! If your child is on the A/B honor roll and in grades 3 - 12, you have the opportunity to receive discounts at some very fun and exciting places in St. Johns County. Instead of paper honor cards, you will now show business participants your phone and receive these discounts. If you do not have access to a smartphone, a limited number of printed honor cards are available (call 904-547-3952).

SJVS is different since we are semester grade based. So, with us only issuing grades at the end of the semester, we had to think outside the box. So, the criteria was any student that was in grades 3-11 during the Spring 2022 semester last year with SJVS and still with SJVS and earned A/B honor roll, they earn the honor roll.

We will pull again in January to identify for the Spring term any student that completes on time (December 16) or earlier and with all A's and B's.

Donations can be dropped off at:

St. Johns Virtual School, 2980 Collins Ave. Building 1, St. Augustine, FL. 32084.

All toys will need to be New, with no wrapping paper.

Donations will be accepted until December 5, 2022.

MISSION:

The mission of the U. S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during October, November and December each year, and distribute those toys as Christmas gifts to less fortunate children in the community in which the campaign is conducted.

GOAL:

The primary goal of Toys for Tots is to deliver, through a new toy at Christmas, a message of hope to less fortunate youngsters that will assist them in becoming responsible, productive, patriotic citizens.

OBJECTIVES:

The objectives of Toys for Tots are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future.
