

Week 8 is Here!!

Why do the short weeks always feel like the longest weeks? Here is to week 8 and all of you staying on pace and being simply amazing. Can you all believe that we are entering March this week? March is my favorite month. Do you know why? Spring Break and my favorite holiday, St. Patrick's Day occur during this month.

Enough about me. Have a conversation with your family. Tell them what your favorite month is and why it is your favorite. Then, ask them for their answer.

Please note, tomorrow is our monthly SAC meeting.
