

**8th Grade Pre-Algebra
Segment 2 Pace Chart
Spring 2024
Live Lessons on Tuesdays @ 9:00 AM**

Week	Dates	Assignments
1	January 8-12	Live Lessons start this week! 4.01 Linear Relationships 4.02 Slope
2	January 15-19 No School Monday 1/15	4.03 Slope-Intercept Form 4.04 Graphing Linear Equations
3	January 22-26	4.05 Systems of Linear Equations 4.06 Linear Equations Practice Exam
4	January 29 - February 2	**Attend the live lesson this week to complete your DBA! 4.07 Linear Equations Discussion-Based Assessment 4.08 Linear Equations Exam
5	February 5-9	5.01 Identifying Functions 5.02 Linear Functions
6	February 12-16	5.03 Scatter Plots 5.04 Line of Best Fit
7	February 19-23 No School Monday 2/19	5.05 Theoretical Probability 5.06 Experimental Probability
8	February 26 – March 1	**Attend the live lesson this week to complete your DBA! 5.07 Statistics and Probability Practice Exam 5.08 Statistics and Probability Discussion-Based Assessment
9	March 4-8	5.09 Statistics and Probability Exam
10	Spring Break 3/11-15 Teacher Planning 3/18	No work due during this week! You can use this time to get caught up on your schoolwork. Enjoy your break!
11	March 19-22	6.01 Identifying Transformations 6.02 Translations
12	March 25-28 No School 3/29	6.03 Reflections 6.04 Rotations
13	April 1-5	6.05 Dilations 6.06 Similar Triangles
14	April 8-12	**Attend the live lesson this week to complete your DBA! 6.07 Module 6 Practice Exam 6.08 Discussion Based Assessment
15	April 15-18 No School 4/19	6.09 Transformations Exam
16	April 22-26	**This will be our last live lesson for the semester. Join us to review the material from semester 2! Lesson 6.10 Segment Two Practice Exam
17	April 29 – May 3	Lesson 6.11 Segment 2 Exam (parts one & two) Remember ALL work must be submitted before taking the semester exam. Any work not done before the segment exam will be a 0%, and your grade will be issued.

18	May 6-10	All course work and semester exams due by May 10th .
