	Grade 6 Physical Education
	Grade 7 Physical Education
	Grade 8 Physical Education

When registering for courses, please always select St. Johns Virtual School rather than Florida Virtual School to support our local teachers.

Why St. Johns Virtual?

1. We follow the St. Johns County School District Calendar. This allows your student to stay on pace with completing courses in time for them to be added to their report card. ***Please note that all students can enroll in individual SJVS courses (part-time program) year round.***
2. As a franchise of FLVS, we use the same curriculum as they do, but courses are facilitated by a local St. Johns County Teacher. Full Time students can visit their teacher monthly in person at SJVS enrichment days, and part time students taking an SJVS course in a lab at their school can be visited by their teacher in person for support.
3. Students will be enrolled in an SJVS course within 48 hours after approval from their school counselor, based on preferred start date.

Core Courses with (*) also have option for Accelerated*, Advanced* or Honors* versions when available. AP and AICE courses can be taken through Florida Virtual, even as a full-time SJVS student.
