DBA Information:

A "Discussion Based Assessment (DBA)" is a time for the students to share what they have learned in the module with the teacher. Students may use notes, but should not receive any additional support from another person (parent, guardian, tutor, sibling, friend, etc.). No appointment needed, simply call in during any of the open call-in hours posted weekly on the course announcement page.

DBA requirements are based on enrollment status:

Student Type	DBA Requirement
Full-time	All students complete the module 4 DBA via live phone call. But modules 5&6 DBAs will be exempted if the student is in good academic standing (at least a "B" average).
Flex	Must complete all DBAs. DBAs will be via live phone call. Open call-in hours are always posted weekly on the course announcement page.
