DBA Information:

A “Discussion Based Assessment (DBA)” is a time for the students to share information they learned in the module with the teacher. Students are required to talk with the teacher via phone/ZOOM to complete this assignment. Students may use notes but should not receive any additional support from another person (parent, guardian, tutor, sibling, friend, etc.).

DBAs can be completed in multiple ways:

- using the appointment calendar on the homepage of the class
- using the open DBA times listed on the homepage of the class
- staying after the live lesson to speak with the teacher 1:1
